The Cohen Clinics are Veterans Choice Providers and use evidence-based practices with an integrated approach to improving the quality of life for Veterans and their families. Services are provided by credentialed staff trained to work specifically with the military population. Veterans and their family members receive services individually and together in the same place, at the same time, with the same treatment team.

Same day intake

The same day you contact our clinic you complete an intake screening. The expected wait between first contact and a first appointment at a Steven A. Cohen Military Family Clinic is less than one week. If you are in crisis, our Cohen Clinics will schedule you an appointment on the same day you contact us.
