

# FLAGSHIP HEALTH™

## **Creating Healthy Veteran Communities Enabling Veterans to Thrive**

Flagship Health offers integrated health services for veterans, by veterans. Our military culture, veteran community, and advanced primary care services are carefully designed to help senior veterans thrive. Come join our community!

- **Advanced primary care physicians who understand veterans' needs**
- **Same day access with telemedicine, urgent, and after-hours care**
- **Behavioral health services**
- **Coordination and help navigating private, military, and VA healthcare systems**
- **Assistance finding and utilizing the numerous veteran benefits you've rightfully earned**

**It's time to say goodbye to healthcare complexity.  
Say hello to community, camaraderie, and care.**
