CAREGIVER

The National Family Caregiver Support Program, locally known as Alamo Caregiver Empowerment (ACE), exists through the Older Americans Act – to serve unpaid, primary caregivers that care for a loved one 60 years of age and older, or a loved one of any age with Alzheimer's or other related dementias.

The Caregiver Program provides various direct services, resources, and referrals that can include, but are not limited to:

- Information for caregivers about available services
- Assistance to gain access to available services
- Individual counseling, caregiver education and training
- Respite care and other in-home services

*This program also includes some limited services for grandparents, or other relatives 55 years of age and older, raising children 18 years of age and younger.

You can access these services by contacting
the Alamo Service Connection:
(210) 477-3275 or (866) 231-4922.
