

The Steven A. Cohen Military Family Clinic at Endeavors

TELEHEALTH MENTAL HEALTH CARE *for* POST-9/11 VETERAN & MILITARY FAMILIES

The Steven A. Cohen Military Family Clinics at Endeavors are part of Cohen Veterans Network, a nonprofit network of mental health clinics delivering accessible, high-quality care to post-9/11 veteran and military families nationwide. Our clinics provide care via telehealth throughout the state of Texas.

WHO WE SERVE

- ▶ **POST-9/11 VETERANS & SERVICE MEMBERS*** including Coast Guard, National Guard, and Reserves, and regardless of discharge status, role while in uniform, or combat experience.
- ▶ **MILITARY FAMILY MEMBERS** of post-9/11 veterans and service members including spouses or partners, children, siblings, parents, caregivers, and others as defined by the veteran or service member.

*Active Duty members need TRICARE Referral.

HOW WE HELP

- ▶ **PERSONALIZED THERAPY** for individuals (adults and children), couples, and families. Care is available in-person or via telehealth for a variety of mental health concerns including:
 - Depression
 - Anxiety
 - Stress
 - PTSD
 - Family/Relationship Difficulties
 - Transition Challenges
 - Anger
 - Trouble Sleeping
 - Children's Behavioral Problems

Our high-quality care is evidence-based, which means we use treatments that are supported by research and considered to be among the best, most effective practices available.

CARE IS AVAILABLE STATEWIDE IN TEXAS VIA TELEHEALTH

Telehealth, video therapy delivered online, makes it easy to access the same, high-quality, confidential care from anywhere in the state without having to visit a clinic.

Stable internet connection and device with audio/video capabilities needed.

Contact any of these three locations for care via telehealth in the state of Texas.
